

“Hearts”

Required Material

- Drawing cardboard in white or natural colour
- Scissors
- Hole puncher
- Ribbon in red or white
- Rhinestones
- Angel pendant or pearl
- Pitt Artist Pen 219 *Deep Scarlet Red*

Step-By-Step Tutorial

1. Take the drawing cardboard, cut the large heart according to the template and decorate with Pitt Artist Pen in *Deep Scarlet Red*.
2. If available, use a stamp to create patterns. Therefore apply the Pitt Artist Pen on the stamp and then stamp it onto the paper.
3. Do the same with the smaller heart template.
4. Attach the smaller heart to the larger one. Therefore use the hole puncher and the ribbon. Place the smaller heart above the big one and thread the angel pendant or pearl through the ribbon and decorate with rhinestones.
